Favorite Memory Being named Sailor of the Quarter while serving in Supply Central. I was the only "Airdale" ever stationed on the Arcadia and was there for Dash Helicopter parts mgmt even though the Arcadia never supported Dash and had no Aviation parts. I enjoyed our cruises to San Juan, St Thomas, St Croix, and to Orange, TX.
Worst Memory A storm off Cape Hatteras that ripped expansion beams and damaged equipment and cars on deck. Being in Supply Central one day when ammunition was being off loaded and a wire basket dropped down through the hatches. We were very thankful that it was an empty basket and not the full basket that had just gone up.

Special Comments I would like to see the Sailor of the Quarter Plaque that was mounted aft of the galley.

Favorite Memory Two weeks spent at Charleston Naval Base in Sept 1951 setting up Electronic Supply Stores while the Arcadia was on her "Re-Commissioning Shakedown" Cruise. We were listening to the radio for the '51 Giants/Dodger play offs when Bobby Thompson hit the shot (Home Run) heard round the world.
Worst Memory When the Division Officer told me I could not serve 30 days of permanent shore patrol during the winter of 51-52. The Repair Officer a LCDR, was told of my Division Officer's desire. He looked at me and asked "How many stripes on his sleeve"? I said one (Warrant Officer Dula). He said, "How many stripes on his sleeve"? I said, "2 1/2 Sir, and I'm on my way to pack my gear
