2011 REUNION SET FOR JUNE 9-12 IN ATLANTA

At last, what you have all been waiting for—a reunion of the 6/502nd Inf Berlin Brigade! Stefan Morgan, chairman for the event, has been hard at work to make this dream a reality. He is really looking forward to seeing many old friends from the 6/502nd Inf Berlin Brigade **June 9-12, 2011** at the Dolce Peachtree Resort in Atlanta, Georgia. You won't want to miss this first reunion—they are always very special. There's nothing better than seeing your old buddies and fellow comrades after all these years and sharing your memories of those times. You will get a chance to relive your experiences in the 6/502nd Inf Berlin Brigade with others who served with you or with the Brigade at another time. You'll get a chance to introduce your family to everyone, or for the families to reconnect if they shared time together while on active duty. Bring your spouse, significant other, kids, grandkids—you'll all have a ball

Atlanta is a great place to visit and hold a reunion, and the Dolce Peachtree is the ideal place to stay. It is a true resort nestled on 40 acres of neatly manicured grounds. In addition to the luxurious accommodations with all the in-room amenities you would expect in a top-rated facility, there is complimentary tennis, volley ball, and basketball courts, bicycle riding, horse-shoes and billiards. Shady tree-lined hiking trails are another added bonus. A pool and pool patio offers an opportunity to soak up the sun

and enjoy a relaxing lake view. There is a cocktail lounge for your enjoyment after a hard day at play. In short, it's a wonderful place for the whole family or individual to spend the free time in the reunion agenda. What a great summertime family vacation this would be!

You'll spend a lot of time in the hospitality room where everyone will gather with their memorabilia and share stories while enjoying hot coffee, cold drinks and snacks. It's always the hub of the reunion and where the "real" reunion takes place, so bring your pictures or other items of interest from your days in the 6/502nd to share with others. These always are the spark for some lively reminiscing and stories—some of which are even true! If you can still wear your uniform, bring it along for the banquet on Saturday night. (If not, well, we understand! It's been a long time!)

For anyone who can tear themselves away from the Dolce Peachtree resort, a day trip to Atlanta is planned. You will be able to visit three of Atlanta's most popular and interesting attractions. **The World of Coca-Cola®** is the only place where you can explore the complete story—past, present and future—of the world's best-known brand. Taste over 60 different products from around the globe. Experience the thrilling 4-D theater (3-D movie with moving seats); Be amazed by a fully-functioning bottling line and take home a FREE 8-ounce bottle of Coca-Cola®; Give the 7-foot-tall

Coca-Cola® Polar Bear a big hug; See the world's largest collection of Coke memorabilia; And so much more.

Literally next door is the world class **Atlanta Aquarium** where you will go next. Just a few of the exhibits that will help you understand sea life are, **Cold Water Quest-The Chilly Unknown**: From Oregon to Japan, from South Australia to South Africa, cold ocean waters teem with fish and marine mammals. Beneath the waves curious animals such as Australian weedy sea dragons, garibaldi damselfish and Japanese spider crabs hang among the rocky ledges and kelp forests. **The Georgia Explorer** gallery is a highly interactive gallery with touch pools full of horseshoe crabs, sea stars, stingrays and shrimp. Several large habitats feature a loggerhead sea turtle and the fish of Gray's Reef—an underwater area off the Georgia coast designated a National Marine Sanctuary. **Whales** live right off the Georgia coast! Walk through an acrylic tunnel or stand in front of a gigantic acrylic viewing window and you will feel like a SCUBA diver in an endless blue sea, mesmerized by thousands of fish swimming overhead! **Ocean Voyager** is home to the gentle giants of the sea, including whale sharks and two manta rays, Nandi and Tallulah. They are the only manta rays in a U.S. aquarium, ever. **Ocean Voyager: River Scout—Freshwater Mysteries**: Rivers are a source of life for ani-

imals, people and cultures throughout the world. In the River Scout gallery, presented by Southern Company, you will discover a wide diversity of animals found in the rivers right here in GA. **The 4D Theater and Deepo's Undersea 3D Wondershow:** Along with seeing the thousands of animals at the Georgia Aquarium, what if you could also experience the underwater world from their point of view? By combining digital projection, a high definition 3D film and unique special effects, the Georgia Aquarium's 4D Theater allows guests to do exactly that.

A stop will be made for lunch, but it will be on your own.

Then it is on to CNN. Journey into the heart of **CNN Worldwide** and get a close-up, in-depth look at news in the making. Ranked among Atlanta's most popular destinations during 20 years of operation, **Inside CNN Atlanta** is a 55-minute guided walking tour offering guests behind-the-scenes views of the studios of CNN and an exciting glimpse of news gathering and broadcasting in action. After an exciting day in Atlanta, you will be ready to come back to the Dolce Peachtree and hang out at the pool, visit the cocktail lounge or hospitality room or take a relaxing stroll on the beautiful grounds before preparing for delicious meal with your old friends.

We hope we have persuaded you to experience the first reunion of the 6/502nd Inf Berlin Brigade with your fellow comrades. Don't miss this opportunity to reconnect with old friends and to share this unique experience with your family. We look forward to seeing many of you in **Atlanta June 9-12, 2011.**
