Special Comments I enjoyed the USS BAILEY and most of her crew and I look forward to seeing fellow shipmates. Especially those who were one my life-lines while I went out on deck and got the depth charge which the skipper pleaded for someone to come forward and get it. A lot of the crew thought I was a hero and at Fleet school wanted to go on liberty with me and wouldn't let me pay for some things. This last for a few weeks. The 1955-56 Crew were a great group of guys and we did a lot together in the Middle East in 1956.
