

Carnival strongly recommends that all guests travel with a valid passport during their cruise. This will enable guests to fly from the U.S. to meet their ship at the first port should they miss their scheduled embarkation; and allow guests that must disembark the ship before their cruise ends to fly back to the U.S. without significant delays and complications. Additionally, it will greatly help to expedite their disembark process.

WHAT'S INCLUDED

The ship amenities would include the following:

- Spacious air-conditioned staterooms, among the largest afloat.
- Full American breakfast each morning or continental breakfast in bed
- Full course lunch and dinner each day
