The River Walk

Known for a lively ambiance of riverside cafés, luxurious hotels, historic sites and live music, the River Walk is undoubtedly one of the nation's finest attractions. San Antonio just unveiled a new, 1.3 mile extension that almost doubled the length of this walkable oasis. Originally built along the San Antonio River in the 1930's and 40's, the River Walk now offers even more attractions!

Why San Antonio?

Centrally located in the heart of Texas, San Antonio offers a blend of charm, vibrancy and color. There is much to do for large and small groups—we attribute it to our unique culture. When Tex-Mex meets Old West the atmosphere is rich: the river passages—colorful, the cuisine—even more flavorful, and the people—genuine. So round up the group and savor San Antonio!
